

## FABRICATION SERVICES

### PIC can fabricate with all materials, including:

- Stainless Steel
- Mild Steel
- Aluminum
- Cast Steel
- Brass
- Copper

### We engineer and fabricate:

- Trusses
- Beams
- Columns
- Posts
- Hoppers
- Bins
- Chutes
- Platforms
- Ladders
- Conveyor sections
- Motor bases
- Stairs
- Most anything else needed on a project

We can machine and have the material painted, powder coated, plated, and delivered to the work site. We also do field fabrication, modification and fit-up from system to system, and integrate new equipment into existing lines.
